

Remote Monitoring for Business

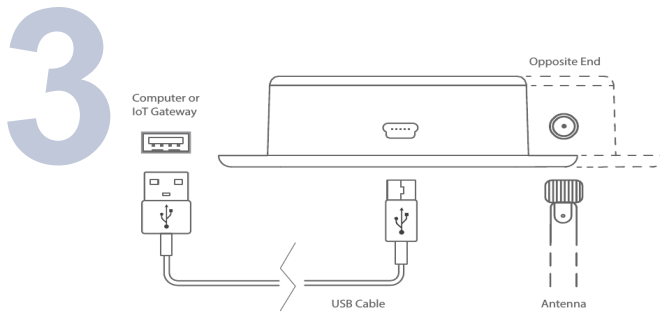

Quick Start Guide - ALTA Sensor Adapter and Wireless Sensors

1 Use the QR code to the right of the phone image above to download the iMonnit app. Alternatively, you can search for "iMonnit" in Google Play or the Apple Store.

2 Follow the in-app instructions to add devices to your account.

3 Install computer application, then connect the [Wireless Sensor Adapter](#) via USB. Can also connect to compatible IoT gateways.*

* PC application is available at www.monnit.com/downloads. Contact Monnit for information on compatible IoT gateways.

4 iMonnit is the easy way to view your sensor data and customize your sensor settings in the app or online at imonnit.com.

For more detailed instructions, documentation, how-to guides and video demonstrations on using Monnit wireless sensors, wireless gateways and iMonnit software, visit our support page at monnit.com/support/.
